Why Choose New York Foundation for Senior Citizens Minor Home Repairs Program?

Repairs are free. Participants are only responsible for the cost of the supplies to make the repairs.

We send qualified, reliable professionals to get the job done; and we help protect older adults from dishonest vendors and potential scams.

NYFSC's Home Safety Audit Program is designed to prevent household accidents, injuries and burglaries. Our expert professionals conduct a home safety audit to identify potential hazards and recommend ways to resolve them and other concerns.
