

FREE HOME REPAIRS FOR OLDER ADULTS

Even minor home repairs can be physically and financially difficult

The New York Foundation for Senior Citizens (NYFSC) provides assistance older adults need through its free Minor Home Repairs & Safety Audit Program. Our goal is to help you live in your home safely, securely and comfortably

WHO IS ELIGIBLE?

- Older adult owners of private homes, condos, and co-ops in the 5 boroughs of New York City
- Renters with consent of landlords and after attempts to enlist the landlord to provide repairs
- Age 60+ who reside in the home
- Limited income. Contact NYFSC for income eligibility requirements

HOME REPAIR SERVICES

We send qualified, reliable professionals to get the job done; and we help protect older adults from dishonest vendors and potential scams. Here's what we can do for you:

PLUMBING repair or install faucets, unclog drains, fix a toilet

CARPENTRY install locks, repair steps, secure floor boards, railings and treads

ELECTRIC & HEATING minor electrical repairs, fixing heating and cooling problems; window unit installation and cleaning

WEATHERIZATION getting your home ready for summer and winter

HOME MAINTENANCE gutter cleaning, patching, plastering, caulking and cement work

HOME SAFETY installing hand rails and grab bars

.... and more.

THE HOME SAFETY AUDIT PROGRAM – IS YOUR HOME SAFE AND SECURE?

Designed to prevent household accidents, injuries and burglaries, our expert professionals conduct a home safety audit to identify any potential hazards and recommend ways to resolve issues.
