
Mission

The mission of both NYFSCHAS and its sponsor, New York Foundation for Senior Citizens (NYFSC), is to provide the highest quality home care services that afford clients the ability to enjoy healthier, safer, productive and more dignified lives in their own homes and avoid the need for institutionalization.

NYFSCHAS is always eager to ensure that home care clients benefit from its home care services as well as the many additional supportive services offered by NYFSC, including Respite Care, Project C.A.R.T. Transportation, Home Sharing, Subsidized, Enriched and Homeless Housing, Case Management, Home Repairs, Home Safety Audits, Senior Citizen Centers and Community Guardian.

Together, NYFSCHAS and NYFSC help tens of thousands of New Yorkers city-wide annually. Both NYFSCHAS and NYFSC continuously achieve successes through their highly professional and dedicated staff.

New York Foundation for Senior Citizens Home Attendant Services, Inc.

Home Care Program

High quality Certified Home Health Aides, Personal Care Aides and Housekeepers serving New York City's five boroughs.

Home care staff provides the highest quality services for New Yorkers eligible for Medicaid, EISEP or Medicare/Medicaid.

Home Care Services

New York Foundation for Senior Citizens Home Attendant Services (NYFSCHAS), a not-for-profit, non-sectarian organization established in 1981 and licensed by the New York State Department of Health, provides New Yorkers who are eligible for Medicaid, EISEP or Medicare/Medicaid with Home Health Aides, Personal Care Aides, housekeeping and nursing supervision services. To meet the growing needs of this group, the program has expanded to serve more than 1,200 home care clients annually.

Under the supervision of professional social work administrators, the agency provides services that include health-related personal care, housekeeping, shopping, cooking and medication monitoring as well as accompanying clients to medical appointments. Registered nurses and licensed practical nurses visit clients at home to assess their needs and supervise and train the home care workers.

Benefits of the Home Care Program
